

**NBCI is launching a fundraiser to help pay the water bill for the residents in Detroit and help the victims of Ebola in Africa.**

***You can solve three simple problems with one act:***

- 1. Help the residents of Detroit pay their water bill.**

- 2. Help the Ebola victims in the motherland (Africa)**

- 3. Build up your family water supply in case of a crisis or terrorist attack.**

***Three in one.  
For  
\$100.00  
Purchase a  
supply of  
nutritional  
water.***

We need everyone to buy a supply of nutritional water by Cedus for **\$100.00** and **25%** goes to Detroit/Ebola and **75%** to Disaster Preparedness. The proceeds will go towards helping the erase the backlog of water bills for our brothers and sisters in Detroit and helping the victims of the Ebola crisis in the motherland of Africa.

Each donation will receive **four (4) cases of water or 48 bottles each case contains 12 1-Litre bottles of 7.6 pH** water to help you build your family emergency water supply. **Three in one!**
