THE NATIONAL BLACK CHURCH INITIATIVE URGES ALL AFRICAN AMERICANS TO VOTE FOR CAROL MOSELEY BRAUN FOR MAYOR OF CHICAGO

In the Spirit of Harold Washington

Washington DC - The National Black Church Initiative (NCBI) is a coalition of 34,000 African-American and Latino churches working to eradicate racial disparities in healthcare, technology, education, housing, and the environment. NBCI supports Carol Moseley Braun for Mayor of Chicago.

She is not only the best choice; she is the *only* choice for Chicago during this historic moment. Chicago, like many cities, is at a turning point, and they need true leadership that comes from the grassroots and loves Chicago. The only choice is Senator Carol Moseley Braun.

“Braun is the best choice for the people and city of Chicago. She has the experience, the ability, and the drive to lead from day one” said the Reverend Anthony Evans, President of the National Black Church Initiative. “No other candidate has Braun’s experience at every level of government - Local, State, Federal and International.”

Braun *is* Chicago. Born on the south side to a medical assistant and Chicago police officer, she financed her undergraduate degree from the University of Illinois at Chicago by working at the post office and grocery store. She went on to graduate from the University of Chicago Law School. Since that time, she has dedicated her life to public service, and is the top choice for the city’s future. Braun represents the finest attributes of Black women everywhere. She is the only Black woman who equals Michelle Obama. She comes from the finest of all traditions, whether it is Harriet Tubman, Rosa Parks, Coretta Scott King, and Fannie Lou Hamer. She represents the best spirit of Former Mayor Harrow Washington, and she deserves to be mayor.

Reverend Evans went on to say, “Her dedication and pioneering spirit will bring together all of the people of Chicago to work towards a better community. Carol Moseley Braun is the future of Chicago.”

“While other candidates have been worrying about eligibility, Braun has been focusing on the issues from the outset of this election. She has been tirelessly working on the bringing innovative job strategies to Chicago, improving education, reducing crime, and making sure that every Chicagoan, black, white, Gentile and Jewish, get a fair chance to allow their grievances to be heard by city call. Her tireless effort throughout her career demonstrates to the National Black Church Initiative and the entire faith community that she will bring this work ethnic into the office of the mayor, and continue to serve the public justly and thoroughly.”

Braun has a track record of making government work for people, and NBCI is confident that she is the best choice for Chicago. “She is our Black Beautiful Angel who has come to help us out during these most difficult times” says the Reverend Mark McClery, pastor of First Adventist Church.”

Chicago’s mayoral election is set to take place on February 22nd.
