The National Black Church Initiative and Rev. Anthony Evans Salute and Admire Fidel Castro on a Life Well-Lived

He was a true Revolutionary

Washington, DC – The National Black Church Initiative (NBCI), faith-based coalitions of 34,000 churches comprised of 15 denominations and 15.7 million African Americans salute, and admire Fidel Castro who stood against Western Imperialism, which includes the Obama and incoming Trump administration. Fidel survived over 13 American political administrations including Obama and the incoming Trump administration. He faced down over 600 assassination attempts on his life and the Cuban revolution. The backdrop is 1959 the year of my birth when a brutal dictator funded and directed by both the mafia and the US government tried to subjugate the Cuban people when Fidel and the true revolutionaries overthrew the evil that were being imposed.

Rev. Anthony Evans, President of the National Black Church Initiative states, “Fidel Castro and the Cuban revolution is a stark example of a moral revolution. The Black Church wages the same revolution with no guns and non-violence resistance against white supremacy and against white and black racist cops. *Via-Long lives Fidel and the Cuban revolution!*”

Cuba is physically located in the mouth of the US Satan imperialist beast, but under the leadership of Fidel they refused to be gobbled up by the West. Fidel and the people of Cuba stood firmly for the advancement of humanity to the socialist phase of historical development and the higher moral ground of its production methods.

Fidel Castro and the people of Cuba stand as the world's most resolute example of revolution in the twentieth and twenty-first centuries - their place in history is assured. Fidel Castro lives through the Cuban revolution.

Fidel loved the Cuban people and the revolution that he and Che Guevara created. Needless to say in any revolution, there are many deaths of individuals and families who disagreed with the revolution. Many of the Cubans and their families who supported Fulgencio Batista Zaldívar and his brutal dictatorship on the Cuban people are now celebrating the death of Fidel. These families are also the cause of senseless killings of the Cuban people so that they can maintain their privilege under Fulgencio Batista Zaldívar regime. The Cuban revolution assassinated many members and their families because they oppressed the Cuban people when Bautista was in power. We believe that all killings are wrong.

Today's politicians, like Marco Rubio, the Florida Cuban delegation, Jeb Bush and many others are celebrating the death of Fidel because they believe they will now be able to place the sons and daughters of Bautista back in power to destroy the Cuban revolution and once again oppress the Cuban people. The Black Church will have none of this. In the spirit of W. E. B. Dubois, Pan-Afrikan Society Community Forum, Carter G. Woodson, Marcus Garvey, Raul Castro, Hugo Chavez, Nat Turner, Bobby Seals, Martin Luther King Jr., Malcolm X, Minister Luis Farrakhan and Rev. Anthony Evans, we refuse to allow the ghost of Bautista, western imperialism and evil to once again subjugate the Cuban people and undermine the values of Cuban revolution for those of us who are revolutionaries.
