National Black Church Initiative Calls On Justice Department to Charge The Three White Racists in Minneapolis As Terrorists

They did the same as the Paris Terrorists

Washington, DC – The National Black Church Initiative (NBCI), a faith-based coalition of 34,000 churches comprised of 15 denominations and 15.7 million African Americans call on the Justice Department to charge the three white racists in Minneapolis as terrorists. Their aim was to create mass carnage among the black protesters. This is beyond a hate crime.

Here is another chance for the Justice Department to apply the law equally without the consideration of race in favor of the white racists. They are terrorists --plan and simple. The Justice Department under Attorney General Lynch is **impotent**. They are scared to charge the white Minneapolis racist with terrorist chargers. And DOJ has yet to bring any charges against the dozens of murderous white racist cops who have shot and killed black teens. DOJ mirrors the justice department under J. Edgar Hoover.

The Rev. Anthony Evans, president of the National Black Church Initiative Black Church pleads with the Justice Department to protect its black citizens. Put those white racists in jail. We are Americans, too.
