The Black Church Will Not Support A Third Run By Former Senator Hillary Clinton

She is not the only person the Democrats have

Washington, DC – The National Black Church Initiative (NBCI), a faith-based coalition of 34,000 Churches comprised of 15 denominations and 15.7 million African Americans, will not support Senator Clinton’s third run for the Presidency. She has lost twice and that is more than any man has done. Hillary is way too liberal and far too hawkish. She will kill a mouse in an instant with a drone like Obama did, and the Black Church wants nothing to do with that. To those who try to float the idea to give her another bite at it, we want to put the nail in the coffin that this will not happen.

Rev. Anthony Evans President of the National Black Church Initiative says, “Hillary, like Obama, tried to stuff down the throats of the Black Church, a radical gay agenda by appointing the first openly gay campaign manager. She thought that we would be so despised of Trump that we would even violate our own Church teachings to support her. She was wrong and we will never support her ever again.”

She needs to spend her time apologizing for what the Clinton Foundation did to the Haitian people. It was appalling. They allegedly stole millions of dollars sent for the homeless Haitians. This was one of the central reasons as to why the Black poor, and the Black Church did not support her candidacy. When you steal from the poorest of the poor you do not deserve a third chance at anything. The Clinton Foundation should do all that they can to uplift the people of Haiti and they should use the treasury of their Foundation to repent.

Senator Clinton, that many do not know, is a hawk. That simply means that she would use the military to wage war, to bomb supposedly all of our enemies and place us in a cycle of violence all over again. The Black Church says there is no way we will support a candidate who is such a bloodthirsty warmonger. She should retire.

ABOUT NBCI

The National Black Church Initiative (NBCI) is a coalition of 34,000 African American and Latino Churches working to eradicate racial disparities in healthcare, technology, education, housing, and the environment. NBCI's mission is to provide critical wellness information to all of its members, congregants, Churches and the public. Our methodology is utilizing faith and sound health science.

NBCI's purpose is to partner with major organizations and officials whose main mission is to reduce racial disparities in the variety of areas cited above. NBCI offers faith-based, out-of-the-box and cutting edge solutions to stubborn economic and social issues. NBCI's programs are governed by credible statistical analysis, science based strategies and techniques, and methods that work. Visit our website at www.naltBlackChurch.com.
