Mr. Ken Martin, Chair,
Democratic National Committee,
430 South Capitol Street, SE
Washington, DC 20003

Dear Chairman Martin:

I write to you personally, as a Pastor and longtime advocate for African American communities, to express my deep disappointment that the Committee has decided not to provide financial support to my dear sister, Representative Angie Nixon's, candidacy. Representative Nixon serves in the Florida House of Representatives and is a leading contender for the United States Senate. In my judgment, the Committee's decision will have a grave impact on African American voter enthusiasm and turnout for the Democratic Party. For generations, African American voters have been among the party's most loyal supporters.

You should not take that loyalty for granted. It would be a serious mistake to assume that African American voters have no options; they may vote Democratic, they may vote Republican, or they may write in a candidate of their choosing.

I respectfully request a written explanation of the Committee's decision within 72 hours.

Sincerely,

Rev. Anthony Evans
President of NBCI
