

The background features a series of overlapping, wavy lines in shades of green, blue, and yellow, creating a sense of movement and depth. A large, thin, brown arch is centered over the top half of the image. The overall color palette is warm and soft, with a gradient from light beige at the top to darker tones at the bottom.

National Black Church Initiative (NBCI)

**National Clinical Trials Strategy Plan
(NCTSP)**

ABOUT NTSCP

This plan for the first time of its kind in the history of African Americans in this country since 1830.

The plan lays out a systematic approach to encourage African American to participate in the experimental research through clinical trials with the hope of improving health outcomes and closing the gap in health disparities.
