*"Bringing people together to serve humanity"*

Thursday, August 22, 2019

Mr. Kenneth Charles Canterbury, Jr.  
President  
The National Fraternal Order of Police  
701 Marriott Drive  
Nashville TN 37214

Dear Mr. Canterbury,

You still want us to believe that Daniel Pantaleo was ethically and morally right, within both scripture and police proceedings, to murder Eric Gardner on video tape. As a clergy, this is very disturbing to us when you justify the murder of any of God's children. Do you really think that God is pleased with your performance? You may get reelected with that performance as head of the National Fraternal Order of Police, but we must warn you that you can go to Hell with the language you use.

We have never met you and we don't know you. And every time we see you on television, you are only advocating for one group of people, and that is white cops. You do not care about public safety. You do not care about anyone else but cops, no matter what they do or how questionable, immoral, unethical, and illegal their actions are. Martin Luther King Jr. says such words coming from your lips as characterized as "dripping with the words of 'interposition' and 'nullification'". Your whole moral ethos is that cops are always right, even if they are choking or murdering a Black man on video tape where the whole world can witness.

So, we only have one more question for you, what is the difference between the Fraternal Order of Police, the Ku Klux Klan, and the Neo-Nazi Party? We do not believe that there is any differences.

You will never persuade the Black Church that you have any inkling of religiosity or moral ethics. We will continue to pray against you and the Fraternal Order of Police.

Your humble servant in Christ,

Rev. Anthony Evans  
President
